How To Register Your Kids And Sign Up for Memberships/Buying Credit Passes Using Upperhand

Navigate to www.atpeugene.com/general-strength-and-conditioning

General strength and conditioning is a class focused on developing strength and athleficiam that can benefit athlefes from any sport. Athlefes will go through a comprehensive warm up and work on plyometrics to help them develop speed and power. They will do upper and lower body

Scroll down and select the option that you want to purchase. In this example I selected the 10 class credit package.

You will be redirected to the following screen:

After creating your parent/guardian profile you can then add participants to your account. These will be the profiles for your kids. You can see here I have already signed up Archie, and if I add another athlete participating, I can continue to add athletes until all of my kids are registered.

Accept the waiver and you will be taken to your portal.

| | | | For whom would you like to purchase this pass? |

Select the profile you would like to purchase the membership for. **Please make sure you select** and purchase for your athlete, and do not purchase it for yourself.

After you have confirmed the item you will be automatically brought to your cart. (If you are signing up multiple athletes click "add event"->Credit Pass(or membership)->repeat the process with your second athlete.) Click continue to payment and purchase the credit pass as you would anything else online. Please refer to our FAQ first to answer questions before emailing.
